Four Levels of Sponsorship

The Domainer Meeting sponsorships are “a la carte” opportunities, with four tiers of sponsorship: Platinum, Gold, Silver, and Bronze, each corresponding to a set of tier benefits.

Your sponsorship level is determined by the total dollar value of your selected sponsorship opportunities.

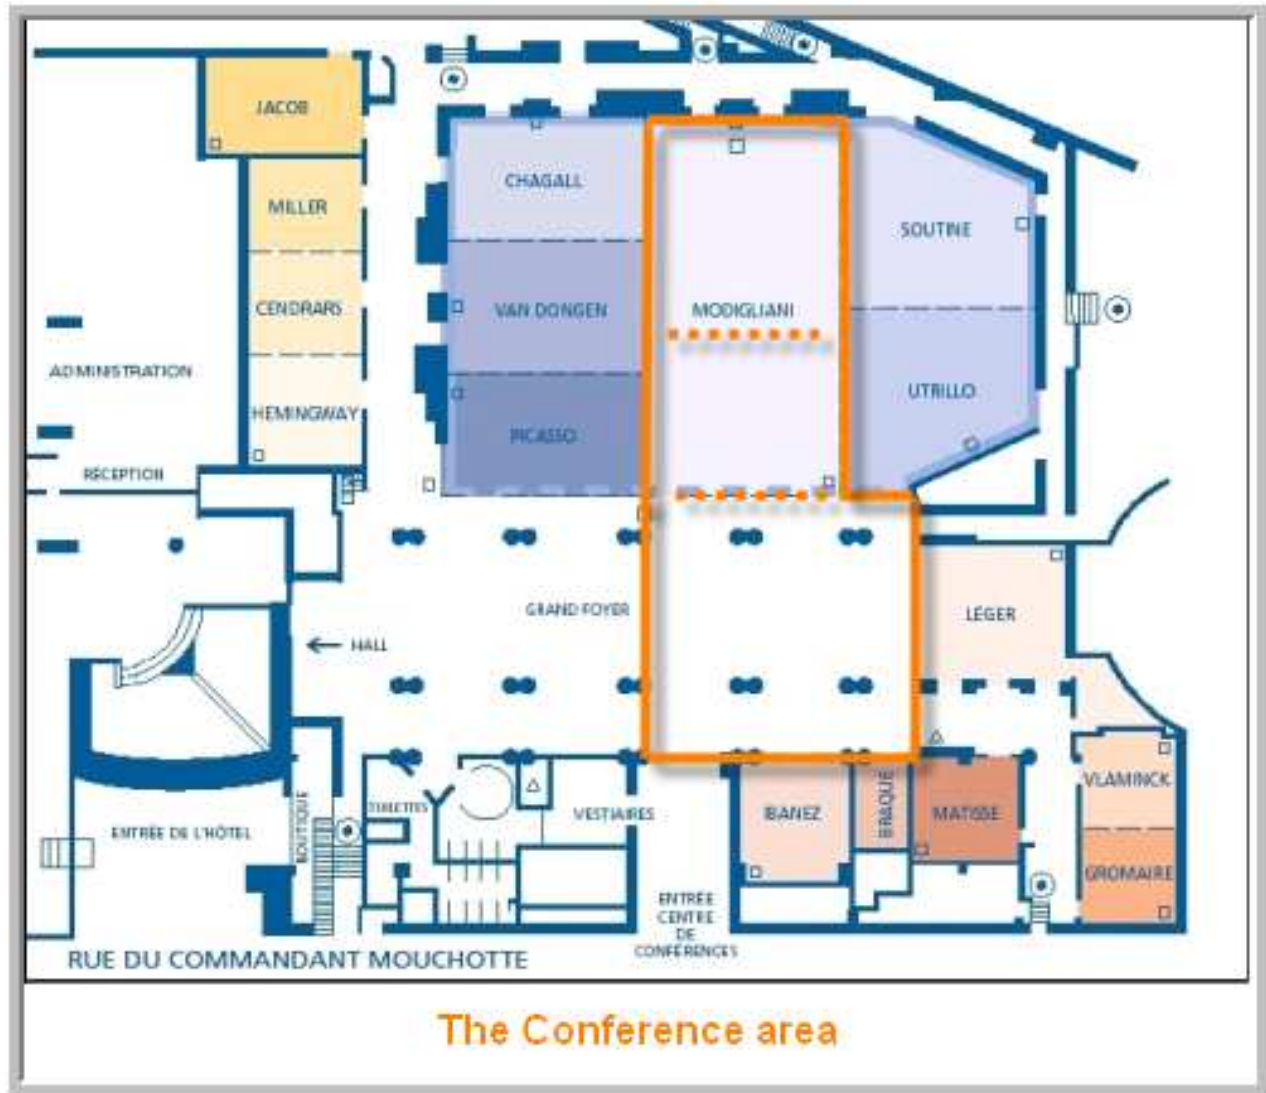

Example of sponsorship: Booth and Dinner = 12,000 Euros, and this entitles to a Gold level sponsorship.

Choose the opportunity or combination of opportunities right for you, and by adding up the total dollar value of your selections, you’ll be able to determine which sponsorship tier you belong to and to which bonus benefits you’ll be entitled.

If you have any questions, please contact Melanie Delannoy at mdelannoy@eurodns.com or call +352 261916312.

Domainer Meeting - Terms and Conditions

1. General Matters. EuroDNS's obligation to hold the Domainer Meeting is conditioned upon the Facility making available the space applied for by EuroDNS on the dates specified. EuroDNS has the sole right to determine the eligibility of any company or product for inclusion in the Domainer Meeting. EuroDNS makes no representation or warranty, express or implied, regarding the number of persons who will attend the Domainer Meeting.

2. Assignment, Use of Space. EuroDNS shall assign to Sponsor exhibit space for the period of the Domainer Meeting. Each such assignment is made for the period of the Domainer Meeting only and does not imply that the same or similar space will be held or offered for future Domainer Meetings. EuroDNS reserves the right to withdraw its acceptance of this application and to cancel Sponsor's participation in the Domainer Meeting if it determines that Sponsor is not eligible to participate or Sponsor's products or services are not eligible to be displayed. Sponsor may not assign or sublet its exhibit space, or any part thereof (including so-called "booth sharing"), nor exhibit, offer for sale, or advertise articles not manufactured or sold by the exhibiting company, except where such articles are necessary to the proper demonstration or operation of Sponsor's display, in which case the identification shall be limited to the manufacturer's normal, regular nameplate. Sponsor may not permit non-exhibiting company representatives to operate from or share its booth. Decisions of EuroDNS regarding use of exhibit space shall, in all instances, be final and binding.

3. Relocation; Floor Plan Revisions. EuroDNS reserves to itself the exclusive right to revise floor plans and/or move assigned Sponsors as it deems necessary, prior to or during the Domainer Meeting.

4. Occupancy, Payment Defaults. All participation costs must be paid when due, and in any event in full prior to Sponsor's move-in. If Sponsor fails to occupy its contracted space, fails to pay any or all fees in a timely manner, or fails to perform, meet or observe any term or condition set forth herein, it shall not be relieved of the obligation of paying the full cost of its participation in the Domainer Meeting and EuroDNS, at its discretion, may cancel this agreement and Sponsor's participation in the Domainer Meeting and reassign the exhibit space. In the event that Sponsor tenders the exhibit fees after such reassignment, EuroDNS may assign to it such other exhibit space, if then available, which EuroDNS deems appropriate. Sponsor shall not be entitled to any refund of any part of any fee and shall remain liable for payment of all fees set forth in this agreement, subject only to Section 16 hereof.

5. Installing, Exhibiting, and Dismantling. Hours and dates for installing, exhibiting and dismantling shall be those specified by EuroDNS. All displays must be fully set up by the opening of the Domainer Meeting, and all exhibits must be open for business during all the Domainer Meeting hours. In addition, Sponsor may not dismantle or pack any portion of its display until the Domainer Meeting officially closes. Sponsor shall be liable for all storage and handling charges resulting from failure to remove exhibit material from the Domainer Meeting before conclusion of the dismantling period. When vacated, all exhibit space shall be left in good order.

6. Contractor Services and Information. EuroDNSr shall select and/or approve each contractor to provide support and facilities services. EuroDNS assumes no responsibility for failure of performance by, or the conduct of, any contractor or subcontractor or its employees.

7. Observance of Laws and Regulations. Sponsor shall abide by and observe all laws, rules, regulations, codes and ordinances of any applicable government authority, all rules of the Facility and the jurisdiction in which the Facility is located (now in effect or hereinafter promulgated).

8. Attendance; Hours. Admission policies and the Domainer Meeting hours shall remain, at all times, the prerogative of EuroDNS, and may be revised or amended to suit unforeseen conditions.

9. Sponsor Conduct. Sponsor, and each of its employees and representatives, shall conduct itself in a manner in accordance with standards of decency and good taste. Exhibits shall be admitted and shall remain from day to day solely on strict compliance with the rules herein set forth and those outlined in Sponsor Service Manual. EuroDNS reserves the right to reject, eject or prohibit any exhibit, in whole or in part, or any sponsor or its representatives or invitees, with or without given cause. If cause is not given, EuroDNS's liability therefore shall not exceed the return of the amount of rental unearned at the time of ejection. If Sponsor or any portion of its exhibit is ejected for violation of applicable rules or for any other reason, Sponsor shall not be entitled to any refund of exhibit fees or payment by EuroDNS of any other amounts.

11. Booth Personnel. Sponsor representatives are restricted to personnel engaged in the display, demonstration, application or sale of the company's product or services. Booth personnel shall wear Sponsor badge identification at all times while they are in the exhibit area. Badges are non-transferable, and if transferred to or used by any party other than the individual to whom it was issued, may be canceled by EuroDNS in its absolute discretion. All other employees of exhibiting companies must register as Show Attendees. EuroDNS reserves the right to restrict or limit the number of booth representatives.

12. Photography. Sponsor is prohibited from taking any type of photograph or videotape of the Domainer Meeting without EuroDNS's consent. Unauthorized use of photography or videotape equipment is subject to confiscation by EuroDNS. Sponsor agrees that EuroDNS may take photographs of Sponsor's booth space, exhibit and exhibit personnel for any promotional use by EuroDNS or the Domainer Meeting.

13. Taxes, Licenses. Sponsor shall be responsible for obtaining all licenses, permits and approvals under local, state or Federal law applicable to its activity at, and obtaining all tax identification numbers and paying all taxes, license fees and other charges that become due to any governmental authority in connection with the Domainer Meeting.

14. Cancellation of the Domainer Meeting. If for any reason beyond EuroDNS's control (e.g., fire, casualty, flood, epidemic, earthquake, explosion, accident, blockage, embargo, inclement weather, governmental restraints, act of public enemy, riot or civil disturbance, impairment or lack of adequate transportation, inability to secure sufficient labor, technical or other personnel, municipal, state or federal laws, or act of God), the Domainer Meeting, or any part thereof, is prevented from being held, or the Facility becomes unavailable, unfit for occupancy or substantially interfered with, EuroDNS may cancel the Domainer Meeting. In such event, EuroDNS shall not be responsible for delays, damage, loss, increased costs, or other unfavorable conditions arising by virtue thereof, and Sponsor waives claims for damage arising therefrom. Upon any such termination, EuroDNS may refund to Sponsor no more than a prorated amount of Sponsor's total cost of participation paid after deducting all expenses and reasonable compensation to EuroDNS. In no case shall the amount of any refund exceed Sponsor's total cost of participation actually paid.

15. Postponement of the Domain Meeting. If for any reason EuroDNS determines that the location or dates of the Domain Meeting should be changed, no refund will be due to Sponsor, and EuroDNS will assign to Sponsor, in lieu of the original space, such other space as EuroDNS deems appropriate, and Sponsor agrees to use such space under the terms of this Agreement. EuroDNS shall not be financially liable or otherwise obligated in the event that the Domain Meeting is relocated or postponed.

16. Sponsor Cancellation. If Sponsor desires to cancel this Agreement, Sponsor may only do so by giving written notice thereof to EuroDNS, Attention: Show Manager. In such event, Sponsor shall be liable for the following cancellation fee: 66% of the total cost of Sponsor's participation if such cancellation is effective more than 120 days prior to scheduled opening of DOMAINfest Global; and 100% of the total cost of Sponsor's participation if such cancellation is effective within 120 days prior to scheduled opening of the Domain Meeting. Payment of cancellation fee must be received by EuroDNS within 15 days after cancellation. The effective date of any cancellation shall be the date EuroDNS actually receives Sponsor's written notice as specified above. Sponsor understands this cancellation fee has been incorporated into this Agreement as a valid pre-estimate of damages EuroDNS will sustain which will not be capable of precise determination, and is considered to be liquidated and agreed-upon damages suffered as a result of Sponsor's cancellation, and is not a penalty. Subsequent reassignment of canceled exhibit space shall not affect this cancellation assessment. In addition all decorating expenses EuroDNS incurs in decorating canceled exhibit space shall be due and payable to EuroDNS by Sponsor upon demand.

17. Copyrighted Materials. Sponsor shall not violate any copyrights with respect to writings, music or other materials used by it at the Domain Meeting or at any affiliated function, and assumes sole liability and responsibility for the use and display of all copyrighted materials at the Domain Meeting, and shall obtain any and all necessary licenses therefore. Sponsor shall indemnify, defend and hold harmless EuroDNS, any association owner or sponsors, the Facility, and their respective officers, directors, employees, agents and representatives, from and against any and all actions, causes of action, claims, demands, liabilities, losses, damages, costs and expenses, of whatever kind and nature, which any one and/or each of them shall sustain, incur or become subject to, involving, arising from, or relating to, Sponsor's breach of any of its obligations contained herein or the use of copyrighted materials at the Domain Meeting or any affiliated function.

Sponsor shall indemnify, defend, and hold harmless EuroDNS and the Facility and their respective owners, directors, officers, employees, agents and representatives, from, any and all claims, demands, suits, liability damages, loss, costs, attorneys' fees, and expenses of any kind which might result or arise from its participation in the Domain Meeting, its licensing and/or use of exhibition space hereunder, or any action or failure to act on the part of Sponsor or its officers, agents, employees, or other representatives. Sponsor understands that neither EuroDNS nor the Facility, nor their respective affiliates, maintains insurance covering Sponsor's liability or property, and Sponsor is advised to obtain, at its sole expense, insurance for its exhibit material and products against loss or damage, and public liability insurance against injury to the person or property of others. Sponsor shall provide evidence of such insurance to EuroDNS and the Facility upon request. It is understood all property of Sponsor is in its care, custody, and control in transit to, or from, or within the confines of the Facility, and neither EuroDNS nor the Facility assumes any responsibility therefore. In no event shall EuroDNS be liable to Sponsor or anyone claiming through Sponsor for incidental, consequential, special or indirect damages, including lost profits, even if EuroDNS has been apprised of the possibility of such damages.

19. Damage to Facility or Property. Sponsor is liable for any damage caused to Facility floors, walls, or columns, to standard booth equipment, or to other sponsors' property.
